INTRODUCTION

BID MANUAL

This manual will familiarize the potential bidder with:

1. USA Volleyball.
2. The requirements to host the USA Open Volleyball Championship event and the Corporation's Annual Meetings.
3. The process for filing a *Bid Application*. Once a host/city has been awarded the event, this manual can be converted into a basic planning and operating manual. It can also be a valuable tool for the host in their planning efforts and subsequent program operation. It should be noted that while the term "city" is a frequent referral, the potential host is not limited to city government or organizations.

BID APPLICATION

The *Bid Application* is the companion document to the *Bid Manual*. The application is in a questionnaire format that provides responses to the requests and requirements outlined in the *Bid Manual*. In addition to submittal of the Bid Application, prospective hosts are asked to attach other materials and information. These are important supplements to the total fact finding process that USA Volleyball needs to make the best-informed decision.

The United States Olympic Committee (USOC) recognizes USA Volleyball as the National Governing Body (NGB) for the sport of volleyball in the United States. A primary function of the NGB is to conduct national events in its sport. One of the events for USA Volleyball is the USA Open Volleyball Championship, which is conducted annually and is held in different regions of the country each year.

USA CHAMPIONSHIP EVENT

In 2014, USA Volleyball conducted its 86th National Championship. Currently, the USA Championship is divided into eight (8) categories of competition. There are men's and women's divisions in the PVL (Premier Volleyball League), U.S. Open, U.S. Club, U.S. Masters, U.S. Seniors, U-Volley, U.S. Co-Ed Championship and Corporate Challenge Tournaments. The event begins annually on the Friday prior to Memorial Day (celebrated Monday), and ends on the Wednesday following Memorial Day weekend. More than 1600 matches are played during the six-day event.

ANNUAL MEETINGS

Prior to the USA Volleyball Championships, the USAV, acting as the corporate body, conducts its annual meetings. More than 50 sub-structures of the Corporation, including the annual Boyce Awards Banquet meet prior to the Board of Directors. In addition, the referees and scorekeepers attend recertification clinics in preparation for the competition. During the week, approximately 500 volleyball leaders and tournament support staff will assemble to conduct their annual business.

FEATURES

In tandem, the Championship and Annual Meetings provide:

- 10 days of volleyball activity involving national and local volleyball communities.

- A forum to render important decisions relevant to the growth and development of grass roots and local programs, and national and international events.
- 30 National Championship Tournaments featuring the best indoor volleyball athletes in the country—senior age group (40 to 79+) competition, club competition for adults 18 and over, and the elite U.S. Open. The U.S. Open features international as well as U.S. teams.

A principle goal of site selection is to showcase the sport of volleyball in different regions of the country. It has been consistently demonstrated that local and regional volleyball activity has increased significantly following a USAV National Championship event. Other by-products are an increased awareness and better appreciation of volleyball in the local community.

The USA Volleyball Championship event is a major program of USA Volleyball and currently involves more than 500 teams and 6,500 participants. While USA Volleyball will be responsible for the actual conduct of the event, the Host City is expected to provide the basic ancillary components associated with managing and organizing these championships.

Upon *submittal* of the bid, USA Volleyball will assume that the bidder has read and fully understands these expectations and *is prepared to assume the responsibilities* outlined in this document and the complete Bid Manual.

Upon receipt of the Bid Application, and witnessed by an authorized signature, a bid will be considered an official invitation for USA Volleyball to proceed with these assumptions in place.

REVENUE OPPORTUNITIES

Hosting a USA Volleyball event provides your city with opportunities to generate revenue through local retail, restaurants, attractions, hotels and sponsorships with prior approval from USAV.

CHAPTER 4: VENUE REQUIREMENTS

The cornerstone of a bid for the USA Open Volleyball Championships event is the playing site, or venue. The venue may have separate areas within the building. So long as all other criteria are met, this is acceptable.

Bidders are requested to submit a detailed floor plan of all proposed venues, and/or all areas of the venue proposed for use which is provided as a CAD drawing on a disk or emailed as a zipped file. Even though a city may have hosted a USA Volleyball Championship event in a prior year, this submittal is required.

The Bid Application and all attachments, upon receipt, become the property of USA Volleyball, unless the bidder specifically requests a return of any portion of the submittal.

VENUE

The venue must have open and unobstructed floor space of at least 375,000-450,000 square feet. This area should be able to accommodate a minimum of 50 volleyball courts with space for portable bleacher seating and a raised platform championship desk.

COURT ARRANGEMENT [\(REFER TO APPENDIX G & H\)](#)

These are the requirements for arranging volleyball courts in the competition venue:

- Each *court area* requires a 50' x 90' space, a minimum of 4,500 square feet. The competition area of a volleyball court measures 9 meters by 18 meters. - There must be seating for a minimum of 50 persons at each court, except for feature and championship courts (see below). All seating will be set off the volleyball court (outside the safety area, approximately 1' from edge of playing surface).
- Spacing between court areas must allow for traffic patterns and spectator viewing without congestion for participants.
- Bidder must submit a CAD floor plan of the Convention Center space. See the attachment of a standard court layout [\(Appendix H\)](#).

PLAYING SURFACE

USAV will supply portable courts through an agreement with the current distributor of Sport Court. USAV staff will design the court layout for the facility. In order to assist with the layout design, venue management must provide a CAD of the convention center at the time of the bid. Installation, tear down and repackaging of the portable floors will be under the direction of USAV equipment personnel.

COURTS FOR GOLD MEDAL (FINAL) MATCHES

Each division will have a final match to determine the season champion. Extensive seating is essential for the

finals. **Seating for a minimum of 2,000 is required.** Accommodations for local media, television cameras and related paraphernalia are also requested.

AVAILABLE PLAYING SITE HOURS

The playing site must be available for set-up three days prior to the first day of competition at no later than 8:00 AM local time. Set-up time, including hanging court divider nets, taping playing courts, and erecting net support systems, is approximately three working days.

- Ten (10) Round skirted tables, fourteen (14) 8' x 30" skirted tables, and 225 chairs to accommodate 150-225 persons comfortably. Any accommodations for comfortable seating/relaxation are welcomed by the officiating staff.
- Up to four (4) garment racks to accommodate uniforms and street clothes for working officials. This room must be secured to protect personal belongings.
- Two (2) piped and draped areas approximately 10' x 10' to be used as changing rooms.
- Tables and chairs for the work station area and a telephone connection to an outside line (NO long distance access).
- One (1) electrical power outlet for computers, printers, and a copy machine.
- One (1) Internet Connection plus complimentary wireless access
- Two (2) Whiteboards or Chalkboards.
- Three (3) bulletin boards and several large waste receptacles.
- Coffee, soft drinks and light food items, usually made available throughout each day of competition. USAV would prefer the ability to find local sponsors to provide the concessions for this room. In the event a sponsor cannot be secured, the venue concessionaire will be asked to provide a reduced menu cost to meet daily needs.

REGISTRATION (STAGING) ROOM

USAV requires four (8) 8' x 30" tables and 10 chairs to accommodate the stuffing and storage of athlete, coach, and officials' bags, plus one small copy machine, local phone line with handset and electrical.

OFFICIALS ASSIGNOR'S ROOM

This room requires four (4) tables, four (4) chairs, electrical and internet access (hard line).

ALL-TOURNAMENT SELECTION COMMITTEE ROOM

This committee requires a small room with two (2) round tables and sixteen (16) chairs along with a white or black board.

AWARDS ROOM

This room requires sixteen (16) 8'x30" tables and four (4) chairs. This room must be secured. USAV personnel must have the room key and liberal access to the room. Ideally, this room would be adjacent to or in close proximity to the venue courts where finals are played.

OFFICIALS' MEETING ROOM

USAV requires one (1) meeting room set up in classroom style to accommodate 300 persons. This room requires one (1) 6' head table with three chairs, a public address system, podium and electrical.

REGISTRATION DESK ([APPENDIX J](#))

USAV will operate a registration area in a strategic public area of the venue. Equipment needs are: five (5) kiosks and four (4) rectangle 8' skirted tables with 12 chairs.

SCOREKEEPER CLINIC & MEETING

USAV requires one meeting room set up in classroom style to accommodate 100 persons. The room requires one (1) 6' skirted head table with three chairs, a public address system, podium and electrical.

INTERNATIONAL SCOREKEEPER CLINIC & MEETING

USAV requires one (1) meeting rooms set-up in classroom style to accommodate 75 persons (approximately 40 skirted 6' or 8' tables and 80 chairs). The room requires one (1) 6' skirted head table with three (3) chairs, a public address system and a podium.

COMPTROLLER ROOM

USAV requires four (4) 8' x 30" tables, ten (10) chairs, a safe and electrical.

An approximate schedule for meeting room set-up and use can be found in [Appendix C](#) of this manual.

PARKING

- **Staff Parking at Venue:** Complimentary parking must be provided for all USAV staff vehicles for the duration of the event.
- **Participant Parking at Venue:** USAV requests that free or reduced rate parking be made available to tournament participants with in and out privileges both at the venue and at the respective hotels.
- **Staff Parking at Headquarters Hotels:** Complimentary hotel parking must be provided for staff vehicles if the distance from the venue requires ground transportation.

SECURITY

USAV will require security to cover access and egress to the venue. Security will also be responsible for monitoring doors and checking credentials. USAV requests a list of approved security companies from the venue.

CONCESSION STANDS

Concession stands and their use will be considered in the floor plan for easy access by spectators, tournament personnel and players. Concession stands should offer such fare as sandwiches, hot dogs, hamburgers, soft drinks, coffee, fruit, salads, pasta, ice cream, cold drinks, etc. For added success in sales, a healthy menu for participants is suggested.

USAV understands that all revenues fully accrue to the vendor consistent with in-place agreements with venue management. **Hours should be established during competition days from 7:30 AM to 10:00 PM.**

USAV requires the privilege of bringing outside food items into the venue for the purpose of feeding officials and event staff. Many of these persons work extended shifts and do not have the opportunity to visit the concession stands or outside restaurants and must “eat on the run.”

COMMUNICATIONS

The venue will supply information for installing outside telephone lines and internet in the following specific venue locations:

- Championship Desk (long distance and Internet access)
- Media Room (NO long distance access)
- USAV Exposition/sales area (a max of 10 credit card phone lines)
- Officials’ Room (NO long distance access)
- Sports Medicine Center (NO long distance access)
- Installation and service costs will be borne by USAV

TICKET SALES/ENTRY-EXIT CONTROL

Recent history reflects that a minimum number of spectators attend the event other than event participants and committee personnel. Charging spectators will not support the expense of managing doors and credentials of participants.

CHAPTER 5: HOUSING/ HOTEL REQUIREMENTS

USAV will require hotel blocks to accommodate approximately 8,000-9,000 room nights during the event. This need should be met using as many hotels as possible with a wide range of cost and amenities in the area. Team Travel Source (TTS) will negotiate (with consultation with USAV) all hotel contracts. Please note the hotel contract terms needed to meet the housing/hotel requirements of USAV/TTS. Details on projected room night flow can be found in the Housing RFP documents provided with this manual.

HEADQUARTERS HOTELS

At least two (2) headquarter hotels will be needed. One will house staff and the other(s) will house the officials. The officials may be divided between multiple hotel properties which should all be within walking distance. Details are below:

HEADQUARTER HOTEL #1 – EVENT STAFF – The Event Staff HQ hotel must provide the following amenities three nights prior to the beginning of tournament until one night post tournament. The HQ Staff hotel should be the closest full-service hotel within walking distance to the venue.

- 10 parking passes per day for USAV Event Staff
- Complimentary wireless internet in ALL rooms and meeting rooms
- Complimentary package receiving for up to 10 packages.
- Guaranteed complimentary rooms and suites:
 - 1 complimentary Presidential Suite for duration of event
 - 5 complimentary Junior Parlor Suites for duration of event
 - 28 complimentary double/double rooms for duration of event
 - Meeting attendee room block – The meeting attendee block rates should be 70% of the attendee rate and are commissionable at 10%. No rebate is necessary on meeting attendee block. Block flow is shown on the RFP. Meeting attendee rooms **MUST** be at the hotel hosting the meetings.

HEADQUARTER HOTEL #2– EVENT OFFICIALS - The Officials' Headquarters hotel(s) must provide the following amenities three nights prior to the beginning of tournament until one night post tournament:

- 10 parking passes per day for USAV Event Officials
- Complimentary wireless internet in ALL rooms and meeting rooms
- Guaranteed complimentary rooms and suites:
 - 55 complimentary double/doubles rooms
 - 50 double/double rooms at a considerably reduced rate (no rebate).
- Note: If city cannot provide the number of rooms described above in walking distance rooms, then free transportation will be provided to and from venue at non-walking distance hotel locations.

DETAILS FOR ALL HOTELS:

- **Tournament will use a Stay-and-Play policy that will require all teams to book through TTS in an Official Tournament Hotel in order to participate.**
- 80% of rooms to be double/doubles. Room types must be guaranteed.
- Room rates must be guaranteed to be equal or less than any other rates offered over the contracted dates.
- Attrition - we will not agree to attrition in any form.
- Attendee rates to be flat 1-4 people.

- Attendee rate must include \$17 rebate for USA Volleyball
- Attendee rate must include 11% commission for TTS (or 7% commission and 4% housing fee)
- Rewards points for USAV and Team Travel Source
- Comp Policy: 1 Guaranteed comp for the duration of the event; Earned comp room ratio: 1/15
- POTENTIAL CONFLICT CLAUSE- Any walking distance hotel (less than 1 mile) to venue needs to be cautious of conflicting in-house business that is booked over these dates. There are companies that try to secure meeting space to promote or sell goods to attendees, and would be in direct violation of USA Volleyball sponsorship agreements. All groups that are interested in meeting space need to be cleared by USAV prior to contracting meeting space.

HOUSING - TERMS & CONDITIONS

1. **Rates**
Hotels must close out all published rates lower than our rate over that time period. Please keep in mind you are bidding on this business (against other cities), so keep the rates as competitive as possible.
2. **Cancellation**
We will agree to up to 100% of the cancellation fee, as long as it starts no more than 30 days prior to arrival.
3. **Attrition**
We will not agree to attrition in any form:

 - As right of the hotel to reduce or eliminate any concessions.
4. **Right to increase rate**
We will not agree to this under any condition.
5. **Damage**
Since all TTS bookings are “Pay on Own,” Damage of any kind must be made the responsibility of each guest, not TTS or the “Group.”
6. **Insurance**
While TTS will agree to keep enforce standard insurance in the amount of \$1.0 million, TTS will not do the following:
 - Name the hotel on the policy;
 - Show proof of the policy;
 - Waive any rights to the hotel’s insurance policies.
7. **Security**
Security must be a cost-of-doing-business for the hotel, and not be TTS or USAV responsibility.
8. **Indemnification**
We will agree to standard indemnification only if it is mutual.
9. **Comps**
See “Details for All Hotels” above.
10. **State of Jurisdiction / Arbitration**
No mention of state of jurisdiction. TTS will not agree to waive right to jury trial and take arbitration instead.

IMPORTANT: CVB CONFIRMATION OF HOTEL CONCESSIONS

Securing the necessary hotel needs for staff and officials is an integral part of the bid process. In an effort to guarantee that the needed complimentary rooms at the HQ hotels will be made available to USAV, the CVB or bidding entity must sign the "Confirmation of Hotel Concession Form." The form is included in this bid packet as an attachment and **MUST** be submitted with the city bid.

CHAPTER 6: HUMAN AND MATERIAL RESOURCES PROVIDED BY THE LOCAL ORGANIZING COMMITTEE

This section discusses requirements for the Host/City Local Organizing Committee (LOC) when hosting the USA Open Volleyball Championship event. These components will be an integral part of the Agreement between USA Volleyball and the designated Host/City LOC. Because of the significant length of time between the bid process and the date of the event, some specifics may vary by the time the event is conducted. Prospective bidders must identify a partner organization capable of fulfilling these requirements if the bidding group cannot do so themselves. Identifying an LOC that is capable of producing the required results is paramount, and important to the bid.

After an acceptable venue has been identified, this is the second most important component of the bid that USAV will consider in their evaluation and deliberations.

PLAYER'S PARTY

LOC should be prepared to host the Annual Player's Party for approximately 1,500-2,000 athletes on Sunday night (3rd day of competition).

HUMAN RESOURCES

- **HOST Pre- and Post-Event Support Staff Requirements**
 - Event Coordinator
 - Venue Coordinator
 - Volunteer Coordinator/ Supervisors
 - Publicity and Public Relations Chair
 - Coordinator, Sponsors/Contracts

- **HOST During Event Support Staff Requirements**
 - Security, police and door guards, merchandise sellers, ushers, and other auxiliary staff required by the venue.
 - Equipment Committee Staff
 - USAV prefers for assistance from the local Fire Department in filling of water barrels for the competition. If this is not possible, USAV requests complimentary water hook-ups at the competition venue on set-up days.
 - Maintenance Crews
 - 4-8 persons to clean the courts following competition each day

- **USAV Staff Requirements (Provided by USAV)**
 - Event Arbitrators (3)
 - Resolves conflicts and eligibility issues from the time teams arrive until they depart the city.
 - Officials (300)
 - Event Specialists
 - Equipment Committee Chair and Staff (8)
 - Championship (5)
 - Registration (6)
 - Awards (2)
 - All-Tournament (7)
 - Officials/ Workroom/ Assignors (12)

LOC EQUIPMENT COMMITTEE (OPTIONAL)

The LOC Equipment Committee will be made up of volunteers, local staffing and fundraising groups. USAV will budget funds to cover certain areas of set-up, teardown and floor maintenance during the event.

Set-up and Teardown Crews

These crews are needed for installing Sport Court tile. USAV strongly suggests contacting area organizations to be assigned a certain number of courts for both the set-up and teardown projects. USAV pays a fee of \$150.00 per court for set-up and \$100.00 per court for teardown. These fees will be paid at the conclusion of the event. USAV will require a written accounting for each group and the number of courts that are assigned and completed. This accounting will be the responsibility of the LOC.

Each set-up and teardown crew will be made up of one (1) supervisor and eight (8) to ten (10) persons. A crew of six (6) can install a Sport Court floor in approximately 45 to 60 minutes. Schedule coordination will be done with the USAV Equipment Chair. The USAV Events Department will arrange contact information three months prior to the start date with the LOC Equipment Coordinator. Following is an approximate schedule for set-up and teardown crews:

Day	Time Commitment	No. Crews
Set up Day #1	11:00 AM – 2:00 PM	Minimum of 6
	2:00 PM – 8:00 PM	Minimum of 6
Set up Day #2	8:00 AM – 2:00 PM	3 (if necessary)
	2:00 PM – 8:00 PM	0 (if all courts are installed)
Teardown on Last Day	TBD – 11:00 PM	Minimum of 6

Maintenance Crews

Maintenance crews will consist of four (4) to eight (8) persons, requiring one person per court to clean the floors. This too will be coordinated between the USAV Equipment Chair and the LOC Equipment Coordinator according to the following projected schedule:

Day	Time Commitment	No. Courts	Task
------------	------------------------	-------------------	-------------

Thursday	9:00 PM – Finish	50	Clean courts
Friday	8:00 PM	25	Clean courts
Saturday	8:00 PM	25	Clean courts
Sunday	8:00 PM	25	Clean courts
Monday	8:00 PM	25	Clean courts
Tuesday	8:00 PM	25	Clean courts

PUBLICITY/PUBLIC RELATIONS

The LOC will assume primary responsibility for local public relations, assist USAV staff in preparing media packets, arrange for local media coverage, and prepare and release reports and competition results to local media and national wire services. The LOC will also arrange for local television spots and work with USAV event staff to feature human interest stories.

LOCAL PRINTING AND COPYING

The LOC will assist USAV in procuring bids for printing the event program, Scout book, playing schedules and daily copying needs. Selling ad space in the program is another way for the LOC to achieve revenue from the event and one way to offset expenses for printing. The LOC will receive up to eight (8) full pages (black and white) for sponsorship advertising. All revenue from the sale of local program ads will be the sole ownership of the LOC.

Ads must be approved by USAV to ensure that conflicts with USAV national sponsors are not breached. High quality, timeliness and cost efficiency is of utmost importance to the championship Events Department. Please consider advertising space in USAV publications in exchange for some of the cost of printing.

Printing and copying specifications can be found in [“Appendix F – Printing and Copying Requirements.”](#)

MATERIAL RESOURCES

Support assistance will be required in the areas listed below. References to some of these areas are also listed in other sections of this manual.

EVENT SIGNAGE

Proper signage is an important component for the event, as it controls access to restricted areas and directs pedestrian and participant traffic. Signs are needed to identify various rooms and areas in the venue, and to identify programs and activities. The LOC is responsible for the costs, production and posting of signs as required by USAV. Sample signs are “Team Registration,” “Officials’ Lounge,” “Media Room,” “Sports Medicine Center,” “Championship Desk,” “All-Tournament Selection Room,” etc. Final determination of necessary signage will be made by USAV in consultation with LOC personnel.

OFFICE SUPPLIES/MATERIALS

Office supplies are needed to carry out the tasks required by event personnel. USAV is responsible for the cost of supplies such as paper, pens, pencils, calculators, etc., but will need assistance from the LOC to procure these items if they are donated or discounted.

DECORATIONS/AWARDS CEREMONIES

These ceremonies will be under the direction of USAV Awards personnel.

SPONSOR SIGNAGE/PACKET MATERIALS/VIK

The LOC will assist in arranging to receive all materials shipped to the city prior to the event. The LOC can, with prior approval from USAV, sell sponsor signage, materials for player packets and exhibit booth space.

EQUIPMENT

The LOC will assist in coordinating equipment that is necessary to operate the event. A grid containing equipment needs can be found in [“Appendix E – Equipment, Supplies and Services.”](#) Please review the grid prior to completing the Bid Application. Some of the required equipment may be offset by sponsorship opportunities for the event. At a minimum, the LOC will be required to help submit requests for proposal to local vendors for equipment support.

CHAPTER 7: BID APPLICATION AND SITE SELECTION PROCEDURES

USA Volleyball (USAV) is currently receiving inquiries and formal bids from local and state government agencies and/or other organizations that are interested in hosting the USA Volleyball Championships, in accordance with the provisions detailed in this Bid Manual. Bidders must follow the procedures listed in this manual unless an action initiated by USAV is necessary because of emergency circumstances.

REVIEW AND INSPECTION OF BID MANUAL/PRESUMPTION OF RESPONSIBILITY

It is imperative that the Bid Manual be reviewed thoroughly, and that the prospective host fully understands the responsibility under consideration.

It will be presumed by USAV that upon receipt of a formal bid, the bidder has read and fully understands the terms to which the bidder will agree and the responsibilities that the bidder is prepared to assume. This is especially important because these components will be included in the Agreement between the LOC and USA Volleyball.

BIDDING SCHEDULE

USAV is interested in confirming a host city for this event a minimum of two years in advance of the event. For the convenience of the bidder, a time schedule has been outlined in [Chapter 2](#) of this Bid Manual. This schedule is also replicated in the *Bid Application*. It is important that bidders conform to this schedule.

If the bidder is interested, USAV recommends that a bid be submitted for more than one given year as an option. The specific optional year(s) should be listed.

PRELIMINARY STEPS

Since you are reading this manual and application, you and your organization have indicated a preliminary interest in hosting a USA Volleyball Girls' Junior National Championships event. After reviewing the information, the next major decision is to determine your willingness to become a host. If you decide not to pursue this, we understand and ask that you keep volleyball in mind for a smaller or different event, or an exhibition with one of our National Teams.

If you have decided to move forward, the first step is to submit a letter of Intent to Bid with a projected date for completing the Bid Application. The second step is to complete the Bid Application. In addition to the information we are requesting, you may submit supplemental materials you feel will support and/or enhance your bid. We suggest formal proposals from the LOC, the venue(s) and all block hotels, support letters and letters of invitation from the organization/city and other dignitaries, LOC leadership, documentation of similar past ventures, etc..

PRE-BID PROCESSING

Nonconformance to the schedule (specified in the "Host (City) Involvement" section of this manual and duplicated in the *General Information* section of the *Bid Application*) and other requirements may jeopardize your bid.

If you need assistance with the Bid Application or have any questions about the information in this manual, be sure to contact the Event Department at USAV (listed below). Please do not hesitate to call!

It is important to both your organization and to USA Volleyball that you have a clear understanding of what this undertaking entails, and that you have all of the information you need prior to submitting this application!

A complete *Bid Application* is to be sent to each of the following:

- Kristy Cox, Director, Events
USA Volleyball
4065 Sinton Road, Ste. 200
Colorado Springs, CO 80907
Phone: 719-228-6800

REVIEW OF BID

Each written bid will be reviewed and evaluated. If more information is needed and time permits, the bidder will be contacted and given the opportunity to submit additional information. When the bid appears to be complete, it will be evaluated and analyzed in detail. Those bids deemed to be in the best interests of USAV and the event will be scheduled for a “site evaluation” visit.

SITE EVALUATION VISIT

Following an assessment of the written bids, the USAV Site Selection Committee will coordinate a visit with prospective hosts. All expenses for this site evaluation will be borne by the prospective host committee. During that visit, the committee will visit and/or inspect the recommended venue(s) and hotels, and discuss the issues important to conducting the event. This will include, but not be limited to, housing rates, venue particulars in regard to competition and ancillary space requirements, LOC capability to provide support personnel, publicity and public relations potential and capabilities, and related matters.

The two to three persons on the USAV Site Selection Committee represent the major components of the event—the Events Director, Chair of the Championship Events Commissions, and representative from the USAV contracted Housing Company. In most cases, the site evaluation can be accomplished with two full workdays and three nights of lodging.

The USAV Events Director will coordinate details of the visit with the local bidder representative.

SITE SELECTION

After completing all site evaluation visits, the Site Selection Committee will analyze the merits of each prospective bidding organization. Based on their findings, they will submit their recommendation to the Executive Director and the Chair of the Championship Events Commission, who will make the final decision.

Once this decision has been made, the successful city will be notified verbally as soon as possible, followed with a formal written invitation to host the event. Upon full acceptance by both parties, other bidding cities will be sent a written notification of the award.

CONTRACTS AND AGREEMENTS

USAV wishes to finalize all contracts as soon as possible after the site has been awarded. Major contracts include:

1. Agreement with the Local Organizing Committee. (This agreement will be based on the amenities and staffing that the LOC proposes to USAV.)
2. Agreement with venue management for the playing site.

3. If appropriate, agreement with the local Convention and Visitors Bureau.

TTS housing service will secure and contract hotel agreements. USAV also reserves the right to submit all proposed agreements to its corporate attorney and insurance carrier for review, comment and direction prior to signature.

The signature blocks for all agreements are to have the following lines provided for USAV:

1. Recommend Approval/USAV Events Department
2. Approved/Chief Executive Officer

CONTRACT APPROVAL

The CEO of USA Volleyball must approve all contracts. Currently, no other agent of USA Volleyball is authorized to approve any contracts that commits USAV to a financial encumbrance.

USE OF NOMENCLATURE/USAV MARKS

Once the event has been assigned to a host city, the host may use certain and specified nomenclature and upon specific approval, the use of certain and specified USAV marks in conjunction with the promotion of the event. In all cases, approval must be obtained from the Secretary General prior to such use (see directory at end of Section).

PROMOTION AND PUBLICITY

Immediately after the event is awarded, the host city is requested to forward copies of all publicity relevant to the event, from time to time, to the Secretary General.

SITE VISITS

Following an assessment of the written bids, the USAV Site Selection Committee will coordinate a visit with prospective hosts. All expenses for this site evaluation will be borne by the prospective host committee. During that visit, the committee will visit and/or inspect the recommended venue(s) and hotels, and discuss the issues important to conducting the event. This will include, but not be limited to, housing rates, venue particulars in regard to competition and ancillary space requirements, LOC capability to provide support personnel, publicity and public relations potential and capabilities, and related matters.

The two to three persons on the USAV Site Selection Committee represent the major components of the event—the competition area and housing. The committee members are the USAV Event Director or designee, the USAV Event Coordinator, representing the Corporation’s Board of Directors. In most cases, the site evaluation can be accomplished with two full workdays and three nights of lodging.

In all cases listed above, USAV will be responsible for roundtrip travel for all USAV committee personnel. As noted, the Headquarters Hotel should provide complimentary lodging.
