COMPETITION RULES

RULES OF PLAY

The USAV Indoor Rules Book will be in effect throughout the season and for the 2022 USA Volleyball Open National Championship (see: <https://usavolleyball.org/resources-for-officials/rulebooks-and-interpretations/> to download the Rule Book). Participants, Coaches and Team Representatives in the USA Volleyball Open National Championship are subject to and must obey ALL rules, regulations and policies of USA Volleyball herein or otherwise written.

Please review the 2021-2023 Critical Rules and Interpretations training material below:

<https://usavolleyball.org/resources-for-officials/rulebooks-and-interpretations/>

The rules of play are as prescribed in the USA Volleyball Rules Book. Below are key editorial corrections, clarifications and new rules pertaining to the 2021/2023 season (underlined words, phrases or sentences indicate an editorial correction or rule change).

- USAV 4.3b: The legality of a team's uniform(s) is not grounds for a protest by their opponent. The determination of a team's uniform legality is the responsibility of the match referee(s), head referee(s), and/or tournament staff.
- USAV 6.4.2: If failure to adhere to Rule 6.4.2 is due to insufficient players on a team to begin a match, the team forfeits the first set at match time. After a team forfeits the first set of a match, an interval of up to 10 minutes shall be allowed for the team to produce sufficient players to play the next set. If the team is complete (per USAV4.1.1c) prior to the expiration of this interval, the late team will be permitted use of the full court for a four-minute warm-up before play begins. If, after the 10-minute interval the team is not complete, the second set shall be declared a forfeit. If the match consists of the best three out of five sets, an additional 10-minute interval shall be allowed before the match is declared a forfeit.
- USAV 7.3.4: If a team submits a line-up sheet that lists a player's number as both a Libero and as a starting player, the coach or captain shall immediately decide whether that player will be a Libero or a starting player. If the duplicate number will be a Libero, the coach must correct the line-up but only in the starting position where the Libero's number was recorded. If the duplicate number will be the starting player, another player may immediately be designated as Libero. The team will not be charged a substitution.
- USAV 24.3.1a: The 2nd referee's line-up check prior to the start of any set is a courtesy. It is the responsibility of the captain and/or coach to ensure the players maintain the correct service order once the 2nd referee has completed this line-up check.

Key rules for all 2-out of-3 matches are listed below:

- Rally Score to 25 points, all sets must be won by a margin of 2 points
- Deciding set of a best 2-out-of-3 match will be rally scoring to 15 points
- Some pools of three (3) may play all three (3) sets to 25, regardless of whether a Team wins the first two (2). This exception depends on the number of pools of three (3) in a division.
- Twelve (12) substitutions and up to two (2) Liberos
 - If two (2) Liberos are used, they must be identified prior to the start of the match
 - If zero (0) or one (1) Libero is used, they must be identified prior to the start of each set
- The Roster may contain up to 15 players and no more than 5 staff members

- The area beyond the edge of the Sport Court is designated a non-playing area due to safety concerns
- No artificial noise makers are permitted

RULES OF PLAY – CO-ED 4'S

USAV Indoor Rules will be followed, with the following exceptions:

- Must have 2 women and 2 men on the court at all times
- The roster may contain up to six (6) players, and three (3) staff members. One (1) Head Coach and two (2) assistant coaches.
- There are NO court position restrictions or requirements in 4's volleyball, but service rotation must remain the same throughout a single game.
 - *For example, players can stay in the same court position an entire game (at the net/back row etc.), but each player MUST serve in the same service rotation for the entire game (implication of this is that both men can be front row all the time, with one of the females also being considered front row)*
- No open-handed tipping: Players who contact the ball with one hand and are putting the ball over the net must cleanly hit with the heel or palm of hand (a roll shot), with straight, locked fingers and a locked wrist (a cobra), knurled fingers (a camel toe), or with the back of the hand (locked wrist and locked fingers/knuckles. One-handed placement or redirection of the ball with the fingers (dink, open-handed tip, or redirected block) is a fault.
- If a player is going to play the ball into the opponent's court by setting or volleying, the player must contact the ball with 2 hands above the shoulders and it must be set directly forward or backward in relation to the player's body (shoulders and hips should be in the same position from prior to the set happening). NO DUMPING! This applies even if it is the team's 3rd hit.
- No gender contact rule (i.e., a team is not restricted to having a female player contact the ball if it is contacted more than one time)

RULES OF PLAY – REVERSE CO-ED 4'S

USAV Indoor Rules will be followed, with the following exceptions:

- There are **NO** court position restrictions or requirements in 4's volleyball, but service rotation must remain the same throughout a single game.

- *For example, players can stay in the same court position an entire game (at the net/back row etc.), but each player **MUST** serve in the same service rotation for the entire game (implication of this is that both men can be front row all the time, with one of the females also being considered front row)*

- Any combination of players may contact the ball.
- Played on a Women's Height net
- Male players may **ONLY** attack from **BEHIND** the 3-Meter line.
- Male players may **ONLY** block when the last contact from the opposing team came from a male player. No open-handed tips.

- **No open-handed tipping:** Players who contact the ball with one hand and are putting the ball over the net must cleanly hit with the heel or palm of hand (a roll shot), with straight, locked fingers and a locked wrist (a cobra), knurled fingers (a camel toe), or with the back of the hand (locked wrist and locked fingers/knuckles. One-handed placement or redirection of the ball with the fingers (dink, open-handed tip, or redirected block) is a fault.

- If a player is going to play the ball into the opponent's court by setting or volleying, the player must contact the ball with 2 hands above the shoulders and it must be set directly forward or backward in relation to the player's body (shoulders and hips should be in the same position from prior to the set happening). **NO DUMPING!** This applies even if it is the team's 3rd hit.

- **No gender contact rule** (i.e., a team is not restricted to having a female player contact the ball if it is contacted more than one time)

PROTEST OF PLAYING RULES & DUE PROCESS & APPEALS

Protests of the playing rules during a set/match must be lodged in a formal manner prior to the next service. Between sets, a protest of the last play of the set must occur within one minute, and also at the end of the match, the protest of the last play of the match must occur within one minute. The protest shall be handled by a committee of two (2) to three (3) persons, one of whom must be a certified USA National referee or scorer, depending on the nature of the protest. The committee shall be composed of the following:

1. **Committee Chair:** The National Rules Interpreter or designee (Head Referee for the Event)
2. A representative of the USAV Championship Committee, USAV Events Department staff or designee to be named by the Event Director.

All rulings of this committee are final and not subject to appeal.

All protests will be settled at the time they are lodged. No match will be allowed to proceed until the protest is settled. Protests can **ONLY** be related to the rules of play. **Judgment calls are NOT subject to protest.**

The following are examples of what may be protested:

- misinterpretation of a playing rule

- failure of the referee to apply the correct rule to a given situation
- failure to apply the correct penalty / sanction for a given fault
- a scoring discrepancy

Due Process & Appeals: USAV Bylaws (Article XI) and USAV Operating Code (Article X) govern protests, appeals, due process and ancillary procedures. Both of these documents are available in this link: [Governance - USA Volleyball](#). Protests, appeals and due process for this event are specifically governed by these documents. Protests and appeals at this Championship vent are a simple one- or two-step process.

TEAM UNIFORMS

Team players shall wear uniforms that are in full compliance with the USA Volleyball Domestic Competition Regulations (**see Rule 4.3**). If two or more sets of uniforms are used, players will be required to wear the **same** number for each set of shirts. Shirt numbers must be clearly visible for identification by scorekeepers as well as members of the All-Tournament selection committee and spectators. The numbers “0” and “00” are unacceptable and will not be permitted. Team members shall be in proper uniform when warming up. All Libero shirts shall be numbered. If an individual competes in a position other than Libero as well, his / her number must be the same.

Please note that **Rule 4.3.3.1 and 4.3.3.2** will be strictly enforced. This rule specifies that numbers must be of contrasting color (to the jersey) with no smaller than 6-inch numbers on the back and 4-inch numbers on the front of the jersey. Please note that numbers must be **centered** both horizontally and vertically on the **player's** chest and upper back as specified in **Rule 4.3.3.1**. Color combinations for numbers such as purple/black, dark green/black, navy/black, white/light yellow or navy/maroon are not distinctive enough to comply with **Rule 4.3.3.1b**. Once competition has begun, no number changes will be permitted.

Rule USAV 4.3.5 states, “*For nationally-sanctioned competition, uniforms must be identical with the exception of the sleeve length and the Libero Player. An exception will also be made for a single manufacturer’s logo or trademark on the outside of the jerseys or shorts, provided that the logo or trademark does not exceed 14.6 square cm (2 ¼ square inches)*”. **USAV 4.3** states: “*If undergarments, including but not limited to t-shirts, boxer shorts, tights, leotards, body suits, bicycle shorts, sports bras, etc., are worn in such a manner that they are exposed, they will be considered a part of the uniform. In that case, they must be similar and the same color for any team members who wear such an undergarment. Socks and sport shoes are not part of the uniform.*”

*Teams must wear jerseys that meet all the requirements as described above but may wear uniform **shorts or athletic/sport pants** that are similar in color, regardless of style, cut and trim.*

Rule USAV 19.2a states, “*The Libero player’s jersey must contrast in color with that of the predominant colors of the jerseys of the other team members. Color combinations such as purple/black, dark green/black, navy/maroon and white/light yellow are not distinctive enough to comply with the rules.*”

The height of the net is specified in the USA Volleyball Domestic Competition Regulations (see **Rule 2.1**).

LEVEL OF PLAY	FEMALE	MALE
AA, A, BB, B, 40s	2.24 m (7'4 1/8")	2.43 m (7'11 5/8")

STRUCTURE OF PLAY

Pool play for seeding will precede the championship medal rounds. In some tournaments there may be two (2) round robin pools.

The championship round will be a **SINGLE** elimination tournament in all **OPEN and SITTING** Divisions and a **SINGLE** elimination in the **Gold Flight** *only* in all Club, Masters and Seniors divisions. In all other flights, the championship rounds will be single elimination. Every effort will be made to schedule each team for a minimum of six (6) matches over the course of the tournament. This will be based upon the number of entries in a tournament.

TIE BREAKING PROCEDURES

Match percentage and then sets percentage will determine the position of each team within a round-robin pool. It is possible for a team to be eliminated from the next stage of championship competition by inferior set or match percentage.

- If two teams are tied in match records and played each other, the result of their head-to-head match will determine which team is the higher seed.
- If three or more teams are tied on match percentage, the teams are ranked by set percentages and then by point percentage. If teams are exactly tied, even on point percentage, team rank will be determined by a minimum number of coin tosses.

RANKING TEAMS WITHIN EACH ROUND-ROBIN POOL

Each team in a round-robin pool achieves a pool record, consisting of the following criteria, in order:

Each record is computed as a percentage of a total. For example, a team that plays three matches:

Winning	25-10, 25-5
Losing	25-23, 20-25, 19-25
Winning	25-9, 25-12

Achieves the overall record:

MATCHES		SETS		POINTS	
Won-Lost	%	Won-Loss	%	For-Against	%
2-1	66.67%	5-2	71.43	164-109	60.4

MATCH PROTOCOL

For each match, the court will be available for warm-up ten (10) minutes prior to the match time. If a previous match on the same court runs late, then the ten (10) minute warm-up time will begin at the conclusion of that match.

*Ball handling on any concrete portion of the convention center is **PROHIBITED**.*

Following the captains' meeting with the referees for each match, the warm-up period for the match may consist of five (5) minutes for each team separately on the court or may be ten (10) minutes jointly in accordance with the current rules of play. Both captains must agree to share the court for 10 minutes; otherwise, 5 minutes for each team will be required. (**NOTE:** *The warm-up period for the Open Division will be six (6) minutes shared or three (3) minutes for each team separately. See page 26 of the <https://usavolleyball.org/resources-for-officials/rulebooks-and-interpretations/>*

Matches will not begin before the scheduled match time*.

*The Championship Committee reserves the right to reschedule and / or relocate matches with respect to court and time to expedite competition. Any such changes will be posted in the results area, and every attempt will be made to inform the team representative of the change.

Non-deciding sets: rally score to 25 - all sets must be won by a margin of two (2) points.

Deciding set: rally score to 15 points - must be won by a margin of two (2) points.

Libero player(s) is/are designated for the match and must be indicated on the line-up sheet at the beginning of the match. Teams may now designate either two Liberos for the match or one (or no) Libero per set. If two Liberos are designated on the first set lineup sheet, both designated Liberos must remain as Liberos for the entire match. If less than two Liberos are identified on the first set lineup sheet, the Libero may be changed for each subsequent set of the match provided no more than one Libero is designated at any given time.

The Libero player may not block or attempt to block.

In one position, the Libero MAY SERVE after replacing the player in position 1 (see rules book above).

Each team must play within its own playing area and space. However, the ball may be retrieved from beyond the free zone.

If obstructions or other safety concerns prohibit retrieval from beyond the free zone, the player retrieving a ball over a non-playing area must be in contact with the playing surface when contact with the ball is made.

Non-playing areas are defined as the: (1) walls, bleachers, or other spectator seating areas; (2) team benches and any area behind the team benches; (3) area between the scorer's table and the team benches; (4) any other area outlined in the pre-match conference by the first referee. [Rule 23.2.5].

If nets or dividers are separating courts, only the player attempting to play the ball may move the net or divider to play the ball.

COACHING

Rule **USAV 5.3.1** limits the activities of assistant coaches during a match (see below):

One assistant coach at a time may stand to give instructions to the players on the court but has no right to intervene in the match. During play, this assistant coach may give these instructions while standing or walking within the free zone in front of his/her team bench from the extension of the attack line up to the warm-up area, no closer than 1.75 meter (5'10") from the sideline and its extension, without disturbing or delaying the match.

Only one assistant coach may stand at the same time during a set if a team has more than one assistant coach. There is no requirement to designate a "stand-up assistant coach". All assistant coaches are not permitted to talk to the referees or intervene in the match.

Other assistant coaches may give instructions to players on the court while remaining seated on the team bench.

Should the head coach have to leave his/her team, the assistant coach may, at the request of the team captain and with the authorization of the first referee, assume the head coach's functions.

USA VOLLEYBALL GENDER DETERMINATION POLICY

Transgender athletes must request permission to participate by submitting a request to the chair of the Gender Commission (GC). Requests should be sent to ChairGenderCom@usav.org.

Note: This process does not apply to any competition or event where the International Olympic Committee's policy on transgender (TG) may apply, or to an international competition involving the USA National Teams. This may include, without limitation: (i) USA Volleyball National Team competitions or events, and (ii) competitions or events operated or sanctioned by FIVB, the IOC, the International Paralympic Committee or World Para Volley, whether involving beach, indoor or sitting disciplines.

The vast majority of athletes are expected to compete as a member of the gender noted at the time of birth on their birth certificate. The goal of the USA Volleyball (USAV) policy is to permit athletes to compete in the gender with which they identify, while maintaining competitive equity. Athletes who wish to compete as a member of the gender opposite that assigned at birth must notify USAV of their intent at least six weeks prior to the competition in which they wish to participate. Sufficient documentation must be provided to permit the GC to determine that the applicant has taken the necessary steps to transition to their adopted gender.

All TG athletes must submit: 1) a statement that they wish to compete in the gender opposite that of their birth. Minors: parents or guardians must submit a similar statement, 2) statement from the treating physician and medical records as indicated, 3) lab reports of testosterone levels for athletes over age 13 as noted below. The GC may share relevant information with medical experts, as necessary. Once the GC has all required documentation, commission review will be completed within 10 days.

Androgenic hormones may possibly provide TG athletes with an unfair competitive advantage, so the GC may require TG athletes to provide documentation of appropriately managed therapy at the time of initial application to compete. After approval to compete as a member of their adopted gender, documentation must be re-submitted and approved yearly. The GC will serve as the point of contact for all inquiries regarding these participants. The expense of any required testing will be the responsibility of the athlete.

Current transgender testing requirements are as follows:

Assigned Female at Birth to Male, all age groups (prepubertal, pubertal, and adult):

All athletes must submit appropriate documentation upon request. Testosterone levels must not exceed the upper limit of the normal male reference range for their age group.

Assigned Male at Birth to Female:

All athletes must submit appropriate documentation upon request. Testosterone levels must not exceed the upper limit of the normal female reference range for their age group.

Age 12 and Under (Prepubertal or Youth)

No restriction if seeking to play on a female team.

Age 13-18 (registered as a Junior, including a 19-year-old still in high school) (Pubertal or Adolescent):

Testosterone levels must be within normal female reference range (for the age range) for a minimum of 6 months preceding the application to participate.

Age 18 and Over (registered as an Adult):

Testosterone levels must be less than 10 nmol/L for a minimum of 1 year prior to the application to participate.

All GC decisions are effective for one season and must be reevaluated with appropriate documentation the following season.

ETHICS & ELIGIBILITY VIOLATIONS

EVENT ARBITRATORS

Event Arbitrators shall serve as the first level for hearing and resolving ethics and eligibility issues at a specific event. Teams or individuals accused of committing violations of ethics and / or eligibility rules and regulations at qualifying and / or championship events shall meet with the Event Arbitrator(s).

The authority for the Event Arbitrator to act begins with the arrival of a team and individual participants in the Championship city, or 48 hours prior to the first day of competition, whichever is earlier, and shall continue through the duration of the Event through its conclusion.

Decisions of the Event Arbitrator shall be conveyed immediately to the affected parties. A decision of the Event Arbitrator may be appealed to the Event Ethics and Eligibility Appeals Committee.

EVENT ETHICS AND ELIGIBILITY APPEALS COMMITTEE

An Event Ethics and Eligibility Appeals Committee shall be formed for each qualifying and championship event sponsored by the Corporation. Each committee shall be composed of three (3) members, one (1) of whom shall meet the definition of the Corporation as a domestic player who is at least 21 years of age.

Each committee shall act on appeals of ethics and eligibility decisions that occur during the conduct of the event. The conduct of an event shall commence when an individual or a team arrives at the site of the event, or forty-eight (48) hours in advance of the first day of competition for that event, whichever is earlier. That authority shall conclude with the departure of the individual and / or team from the city in which the event has been held.

If the Committee is of the opinion the violation is of such a nature that requires further review or more serious discipline beyond the duration of a National Championship event, the Committee will send a report to the chair of the Corporate Ethics and Eligibility Committee for further action. If the chair is unavailable, then the Associate Chair of the Corporate Ethics and Eligibility Committee will be given the report. The Chair (or Associate Chair if necessary) will notify the USAV Events Department outlining what action (if any) was taken as a result of the report.

Protests or questions relevant to the conduct of all tournaments shall be referred to the Championship Committee on site. Decisions rendered by the Competition Commissioner are final and cannot be appealed.
