Board of Director Position

One Athlete – Beach (Female) Director, with one vote.

Selection Process

Selection: Nominees shall be solicited broadly by the Nominating Committee (NC) with self-nomination encouraged. Reasonable effort will be made to identify a minimum of two (2) nominees for each available Board position. The NC will evaluate the nominees against both the General and the Minimum Criteria taking the opportunity to solicit additional information from the nominee or others as useful and determine whether the nomination shall go forward or not. In the event a nominee was judged by the NC to fail to meet the criteria, the nominee shall have the right to request and receive the rationale. International indoor athletes will elect the Indoor Athlete Directors (1 female and 1 male); international beach athletes will elect the Beach Athlete Directors (1 female and 1 male); the international sitting athletes will elect the Sitting Athlete Directors (1 female and 1 male). The determination of whether an athlete is voting as an “indoor eligible athlete”, “beach eligible athlete” or “sitting eligible athlete” will be established by that athlete’s last qualifying competition.
