

If your membership requires you to complete coursework in the USAV Academy, this is how you get there.

1. Follow [this link](#) and login to your SportsEngine membership account (for junior athletes, make sure the Account Owner logs in).
2. Click the USA Volleyball Academy Launch button.

3. Select the correct profile and then click Launch. If you don't see the desired profile, it's possible they don't have a current membership. Contact your club or region to secure a membership.

If you require further assistance, please submit a help desk ticket.
