

24-25 USA Volleyball Sanctioned Event Process for Foreign Teams

PROCESS FOR CANADIAN FOREIGN TEAMS

STEP 1: CANADIAN TEAM REGISTERS FOR YOUR EVENT

- ★ Direct club to membership@usav.org. We will work directly with Canadian Teams to get Players and Staff verified through USAV's SportsEngine API. From there, all Canadian rosters **MUST** be verified through event systems in the same manner as domestic teams before they are eligible to participate. Questions for issues with these rosters may be directed to membership@usav.org.

PROCESS FOR NON-CANADIAN FOREIGN TEAMS

STEP 1: FOREIGN TEAM REGISTERS FOR YOUR EVENT

- ★ When a foreign team registers for your event, please direct them to membership@usav.org to complete USA Volleyball requirements.
 - You can review the instructions we send them here.

STEP 2: MONITOR APPLICATION STATUS

- ★ Once the team is Accepted to the Event, monitor their process on the Eligibility Lists:
 - 2024-25 USAV Girls Foreign Teams Eligibility List
 - 2024-25 USAV Boys Foreign Teams Eligibility List

STEP 3: CONFIRM EVENT ROSTER WITH USAV APPROVED LIST

- ★ When the team is listed on the eligibility list as "APPROVED" AND they have completed their event roster, confirm that all rostered individuals are on USAV's Approved Roster.
 - Under the Age Division page, click the "X" next to the team
 - Check for all staff & player names listed on the roster
 - There may additional individuals in the USAV approved roster, it is okay if they are not all listed in the event roster.
- ★ **FOREIGN TEAMS MUST BE LISTED AS APPROVED WITH ROSTERED INDIVIDUALS CONFIRMED WITH USAV'S LIST BEFORE THE TEAM IS ALLOWED TO COMPLETE CHECK IN FOR THE EVENT.**
