## TRAVEL POLICY

USA Volleyball Junior Clubs are now required to implement a team travel policy. The following is a model team travel policy and is provided to assist USA Volleyball member clubs with developing their own policies. If a Club chooses not to, or is unable to, create a written travel policy, the following model policy will become the default policy for that Club. Once a customized set of policies is developed and approved by the club, the default policy will no longer apply. Each member club has the responsibility for approval and implementation of its own set of travel policies, and to provide these policies to all players, parents, coaches and other adults who will be traveling with a team. It is strongly recommended that a signature by each adult acknowledging receipt of and agreeing to the travel policy be obtained by each Club.

Some travel involves only local travel to and from local practices and events while other travel involves overnight stays. Different policies should apply to these two types of travel. The form of policy below is a sample only but may be modified by the local program to meet its specific needs and travel.

### MODEL POLICY FOR JUNIOR CLUB VOLLEYBALL PROGRAMS

Travel Policy for [insert the name of the club]

[Insert name of the club] has some teams that travel regularly to play in tournaments, has some teams where travel is limited to a few events per season, and some teams where there is no travel other than local travel to and from our own area. [Club] prohibits all types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the SafeSport Code. [Club] has established policies to guide our travel, minimize one-on-one interactions and reduce the risk of abuse or misconduct. Adherence to these travel guidelines will increase player safety and improve the player's experience while keeping travel a fun and enjoyable experience.

We distinguish between travel to training, practice and local tournaments ("local travel") and team travel involving an overnight stay ("team travel").

#### Local Travel

Local travel occurs when [Club] does not sponsor, coordinate or arrange for travel.

- Players and/or their parents/guardian are responsible for making all arrangements for local travel. The team and its coaches, managers or administrators should avoid responsibility for arranging or coordinating local travel. It is the responsibility of the parents/guardians to ensure the person transporting the minor player maintains the proper safety and legal requirements, including but not limited to: a valid driver's license, automobile liability insurance, a vehicle in safe working order, and compliance with applicable state laws.
- The employees, coaches and/or volunteers of [Club] or one of its teams, who are not also acting as a parent, shall not drive alone with an unrelated minor player.

#### Team Travel

Team travel is overnight travel that occurs when [Club] or one of its teams or designees' sponsors, coordinates or arranges for travel so that the team can compete locally, regionally or nationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the players.

Adult Participants, not including athletes that meet the Close-in-Age exception, traveling overnight with Minor Athletes are assumed to have Authority and must comply with the Center's Education and Training Policy.

- Written consent must be obtained annually by the Organization or the Adult Participant for all In-Program lodging. This consent can be withdrawn at any time.
- Lodging arrangements covered under this policy include, but are not limited to, hotel stays, rentals (i.e., Airbnb, VRBO, HomeToGo, etc.), and long-term residential environments, including lodging at training sites.
- When possible, [Club] will provide reasonable advance notice before team travel. Travel notice will also include designated team hotels for overnight stays as well as a contact person within [Club] or the team. This individual will be the point of contact to confirm your intention to travel and to help with travel details.
- All In-Program Contact during lodging must be observable and interruptible unless an exception exists.
- Regardless of gender, a coach shall not share a hotel room or other sleeping arrangements with a minor player (unless the coach is the parent, guardian or sibling of the player) and advance written consent is provided to the Organization or Adult Participant for each specific lodging arrangement).
- The coach or his/her designee will establish a curfew by when all players must be in their hotel rooms or in a supervised location. Regular monitoring and curfew checks will be made of each room by at least two properly background screened adults. At no time will only one adult be present in a room with minor players, regardless of gender.
- Team personnel shall ask hotels to block adult pay per view channels for player- only rooms.
- Individual meetings between a coach and a player may not occur in hotel sleeping rooms and must be held in public settings or with additional adults present, with at least one of those adults being the same gender as the player.
- Parents/Guardians who wish to stay in the team hotel are permitted and encouraged to do so.
- The team will make every effort to accommodate reasonable parental requests when a child is away from home without a parent. If any special arrangements are necessary for your child, please contact the team personnel who can either make or assist with making those arrangements.
- No coach or chaperone shall at any time be under the influence of drugs or alcohol while performing their coaching and/or chaperoning duties.
- In all cases involving travel, parents have the right to transport their minor player.
- Prior to any travel, coaches will endeavor to make players and parents aware of all expectations and rules. Coaches will also support chaperones and/or participate in the monitoring of the players for adherence to curfew restrictions and other travel rules.
- If disciplinary action against a player is required while the player is traveling without his/her parents, then except where immediate action is necessary, parents will be notified before any action is taken, or immediately after.

## **Transportation**

- All In-Program Contact during transportation must be observable and interruptible unless an exception exists, or

the Adult Participant has advance written consent from the Minor Athlete's parent/guardian. This consent can be withdrawn at any time.

- In-Program transportation requirements are met if the Adult Participant is accompanied by another Adult Participant or at least two minors who are 8 years of age or older.
- Written parent/guardian consent is required annually for all transportation authorized or funded by an NGB, LAO, or USOPC. This consent can be withdrawn at any time.

## **Suggested Additional Policies**

The following policies are additional guidelines for developing a travel policy based on the club's preferences and needs.

- Players are expected to remain with the team at all times during the trip. Players are not to leave the competition venue, the hotel, restaurant or any other place at which the team has gathered without the permission/knowledge of the coach or chaperone.
- When visiting public places such as shopping malls, movie theatres, etc., players will stay in groups of no less than three persons. Athletes 12 and under will be accompanied by a chaperone.

### **Code of Conduct / Honor Code**

USA Volleyball strongly suggests clubs to create a Code of Conduct or Honor Code as a companion document to team travel policies.

Recommended:

- a. Team members will display proper respect and sportsmanship toward coaches, officials, administrator, teammates, fellow competitors and the public at all times.
- b. Team members and staff will refrain from any illegal or inappropriate behavior that would detract from a positive image of the team or be detrimental to its performance objectives.
- c. The possession or use of alcohol or tobacco products by any athlete is prohibited.
- d. The possession, use or sale/distribution of any controlled or illegal substance or any form of weapon is strictly forbidden.
- e. Team members are reminded that when competing in tournaments, traveling on trips and attending other club-related functions, they are representing both themselves and [Club]. Athlete behavior must positively reflect the high standards of the club.

For Consideration:

- a. Failure to comply with the Honor Code as set forth in this document may result in disciplinary action. Such discipline may include, but may not be limited to:
  - i. Dismissal from the trip and immediate return home at the athlete's expense;
  - ii. Disqualification from future tournaments, either local or traveling;
  - iii. Financial penalties;
  - iv. Dismissal from team; and/or
  - v. Penalties set forth in the USA Volleyball Participant Code of Conduct, which may include a lifetime ban.
- b. Players are to refrain from inappropriate physical contact at team activities.
- c. Players are to refrain from the use of inappropriate language

## POLICY ON FOREIGN TEAM AND FOREIGN PLAYER PARTICIPATION

For full details and requirements, please review the official guidelines: [Uniform Requirements, Rules and Regulations](#)

## PROTEST OF PLAYING RULES & DUE PROCESS & APPEALS

**Protests of the playing rules** during a set/match must be lodged in a formal manner prior to the next service. Between sets, a protest of the last play of the set must occur within one minute, and also at the end of the match, the protest of the last play of the match must occur within one minute. The protest shall be handled by a committee of two (2) to three (3) persons, one of whom must be a certified USA National referee or scorer, depending on the nature of the protest. The committee shall be composed of the following:

1. **Committee Chair:** The National Rules Interpreter or designee (Head Referee for the Event)
2. A representative of the USAV Championship Committee, USAV Events Department staff or designee to be named by the Event Director.

**All rulings of this committee are final and not subject to appeal.**

All protests will be settled at the time they are lodged. No match will be allowed to proceed until the protest is settled. Protests can **ONLY** be related to the rules of play. **Judgment calls are NOT subject to protest.**

The following are examples of what may be protested:

- misinterpretation of a playing rule
- failure of the referee to apply the correct rule to a given situation
- failure to apply the correct penalty / sanction for a given fault

**Due Process & Appeals:** USAV Bylaws (Article XI) and USAV Operating Code (Article X) govern protests, appeals, due process and ancillary procedures. Both of these documents are available in this link: [Governance - USA Volleyball](#). Protests, appeals and due process for this Event are specifically governed by these documents. Protests and appeals at this championship event are a simple one- or two-step process.

## TIE BREAKING PROCEDURES

If a three-way tie occurs during day one of play in the 14 - 17s divisions at Girls Junior Club Championships, a 2-game playoff must occur to determine Stars, Red, White, & Blue division breakouts for day two of play. The 10s - 13s divisions will follow our standard tie-breaker procedure.

If a three-way tie occurs during day two of play at Girls Junior Club Championships, we will follow our standard tie-breaker procedure to determine pool finish for all divisions.

Standard policy for this event follows the standards outlined in the Championship Manual found on the [Girls Indoor webpage](#). For detailed information on this topic, refer to “Tie Breakers to Determine Pool Finish” section of the Championship Manual, (Pages 28-30).

## TEAM FORFEITURES

Policy for this event follows the standards outlined in the Championship Manual found on the [Girls Indoor webpage](#). For detailed information on this topic, refer to “Team Forfeitures” section of the Championship Manual, (Pages 31-32).

## WITHDRAWAL PROCEDURE & RULES

If a team must withdraw from a match, it is the responsibility of the team representative to inform the Competition Director no later than **one (1) hour** after completion of the team’s last match.

The Championship Committee will attempt to fill the Finals Match of any flight, and / or determine an alternative action as required.

If a team withdraws from competition after pool play has begun, and prior to the conclusion of subject pool play, all match records shall stand. All un-played matches shall be forfeited per the Rules of Play and counted in the win-loss tabulation accordingly. All other teams in that pool shall be advanced for assignment to the next stage of competition.

Barring injury or emergency, withdrawal from a match will result in the following at the discretion of the Championship Committee:

- Forfeiture of all standing in the tournament (including seeding for future events)
- Recommendation for disciplinary action to the Organization which they represent
- Disciplinary action including suspending participation in future USAV Championship Events

## DISCIPLINARY ACTION

Any person listed on the Official Roster who is causing unfavorable situations either prior to, during, or after the USA Volleyball Girls Junior Club Championship is subject to disciplinary action by the EVENT ARBITRATORS. In particular, use of alcohol or drugs by players and/or officials will bring disciplinary action by the EVENT ARBITRATORS. Plain-clothed off-duty policemen and uniformed/non-uniformed hotel security personnel will be patrolling the halls of the motels/hotels. They must, by law, take a different approach when finding players/officials who are taking illegal substances.

If a rostered team member is disqualified from a match, the disqualified person must report immediately to the championship desk (or site manager at an outlying site) until the issue is addressed by the event arbitrator or the team will default the match.

## PROVOCATIVE BEHAVIOR

USA Volleyball conducts USA Championship events, which are primarily domestic in nature, and while teams from other countries may participate, these Events are NOT International Events. Furthermore, domestic teams are representative of USAV Member Organizations, and, as such, do not officially represent a governmental structure within the United States.

Therefore, the following standing policy will apply to all USA Championship volleyball events conducted by USA Volleyball: *“Comments and/or actions by an Event Participant, Team Member (roster personnel) or Spectator, which is deemed to be provocative, or provokes an opponent, other participant(s), team member(s), opponent’s team member(s) or spectator(s) will not be tolerated and shall be subject to disciplinary action by the Event Arbitrator.”*

## ETHICS AND ELGIBILITY

All Junior Club Championship Events offer participants the ability to access normal due process channels should their eligibility to participate be in question.

Ethics and eligibility for this event follows the standards outlined in the Championship Manual found on the [Girls Indoor webpage](#). For detailed information on this topic, refer to “Ethics and Eligibility” section of the Championship Manual, (Pages 44-45).

## UNIVERSITY ATHLETE & COLLEGE RECRUITING INFORMATION

University Athlete is the official college coach's communication tool for the Girls Junior Club Event.

All player data is extracted from Advanced Event Systems (AES) and supplied to colleges on their PDAs. Teams that submit incomplete player information are putting their athletes at a disadvantage for recruiting purposes. It is the responsibility of the Team Representative/designee to input the data into the registration system (AES) accurately and completely for all players. Player information will be supplied to colleges for 15-18 age divisions only.

University Athlete is an important tool for all participants, parents and coaches. Most colleges obtain important information on student-athletes from data collected by University Athlete. For more information on University Athlete please visit their website at [www.universityathlete.com](http://www.universityathlete.com)

## SEEDING FOR CHAMPIONSHIP

Seeding for the GJCC is determined by Team results throughout the year as collected by USA Volleyball and entered into the official registration system using Team codes. According to these results, the top quarter of all participating Teams in a Tournament (first seeded Teams in the first round of pool play) are seeded numerically by strength.

For example, the strongest 12 teams in a 48-team tournament are determined from the entire field and then are seeded accordingly by strength from seed No. 1 to seed No. 12. Next, the second quarter of all remaining teams is determined based on information from Results Reporting. However, these teams are seeded in a different manner than the first quarter teams. They are seeded primarily in such a way that regional conflicts are avoided and secondarily seeded according to strength.

In the same manner, the third and fourth quarter teams are determined. Then they are seeded first and foremost in the pools where regional conflicts do not occur, and then with stronger teams seeded higher.

## AWARDS

It is the obligation of the head coach to be aware of his/her individual State High School Association rules regarding the acceptance of awards. If necessary, present the properly signed papers as required by your State High School Activities Association. This will prevent a delay in the actual presentation of the awards at the Event. The top three finishers in each National Tournament will receive a team trophy plus individual medals. Only USAV-approved awards will be presented at the Championship.

<b>Stars Flights (Team &amp; Individual Awards)</b>	<b>Red Flights &amp; Below (Team Awards Only)</b>
