QUALIFICATION PROCEDURES

BIDS AT REGIONS AND QUALIFIERS

There are s (6) major divisions of play at GJNCs – Open Divisions, National Divisions, USA Divisions, Liberty Divisions, American Divisions, and Freedom Divisions.

The goal of the GJNCs Open Divisions is to identify, through competition, the best Team in each GJNCs age group from among Teams (see chart below) that have earned Bids. The NQ Open Divisions are designed to select those Teams.

- To participate in an Open Division at the GJNCs, a Team must earn a Bid from participating in an NQ Open Division – either winning the Bid outright at an NQ or being selected for an At-Large Bid after competing in an NQ Open Division.

The goal of the GJNCs National, USA, Liberty, American and Freedom Divisions is to showcase Region Teams and provide the opportunity for more Teams to participate at the GJNCs.

- Teams have the following avenues to receive a Bid for a GJNCs Open, National, USA, Liberty, American or Freedom Division:
 - Earn a Bid at a NQ (Open, USA, Liberty and American);
 - Awarded an At – Large Bid (Open, USA, Liberty);
 - Earn a Bid through their Region’s Bid process (National, American and Freedom) ; or
 - Earn a Bid from their Region through the Re-allocation process (National, USA, Liberty, American or Freedom).

THE SCHOLASTIC GRADE, FOR PURPOSES OF THESE DEFINITIONS, SHALL BE THAT WHICH IS SIMULTANEOUS WITH THE CURRENT PLAYING SEASON.

FROZEN PLAYER TERMS AND CONDITIONS

Once a female junior player has participated in a bid division at a GJNCs qualifying Event (Regional or NQ), she may not be on the Official Roster of, or participate in, another GJNCs qualifying or Championship Event with a different Club.

Example: A player plays on a Team at a national qualifier in a qualifying division. The team does not qualify at that event. The player is frozen to the club at that point, and may not transfer to a different club that is planning to play at another qualifier or National Championship.

Earning and accepting an Open Bid, submitting an Open At-Large Bid application or accepting any National, USA, Liberty, American or Freedom Bid defines the Team as “qualified” for the GJNCs. Once a Team is deemed qualified, the players on the qualified Team’s Official Roster are frozen to that Team. The players on the Team’s Official Roster are subject to the following restrictions:

- A Frozen Player cannot be on the roster of, or play for, another Team in a Regional Qualifier or NQ Event, the roster of a Team applying for an Open At-Large Bid, or another Team playing at the GJNCs.
- A Club may add player(s) to the Official Roster of one of its qualified Teams for the GJNCs, provided the additional player(s) are members of the Club and are not on the Official Roster of another qualified team within the club that will be playing at the GJNCs.

- No player may switch from one qualified Team to another qualified Team, even within the same Club, at the same National Championship (i.e., 18sGJNC, GJNC10-13s or GJNC 14-17s).

NOTE: A player under the age of 17 can switch between a Team that has qualified for the 18sGJNC and another Team that has qualified for the GJNC 14-17s as long as both Teams are within the same Club.

A player may not help multiple Teams qualify for GJNCs.

***NEW: This also applies to the GJNC split of GJNC 10 – 13s and GJNC 14 – 17s.**

- **EXAMPLE 1:** A player in the 17's age division plays on an 18's Team at a national qualifier and that Team Qualifies for the 18sGJNC in the Open Division. That player may not play on any other Team (e.g., a 17s Team trying to qualify for 17 Open) at any National Qualifying Events to help that Team qualify for the GJNC for the remainder of that Club season. She may, however, be added to the 17 Open roster to play in the GJNC within that Club after the team has already qualified. A player may only help one team qualify for a GJNC event.
- **EXAMPLE 2:** A Club has a Team that has qualified for the 14 USA Division of the 14-17s GJNC, they may add a player from their Club who plays on a younger Team to play in the 14-17s GJNC even if the younger player qualified with her team for the 10-13s GJNCs. A player may only help one team qualify for a GJNC event.

Violations of the Frozen Player Rule may result in Sanctions being imposed on the already qualified Team, its Club, the Team's coach, the player and/or the Club's director.

The USAV Events Department will determine Sanctions for violations of the Frozen Player Rule. (See [Penalties for Illegal use of Bid](#))

AGE EXCEPTION FOR 2026

Players who were born on or after July 1, 2007, (who are defined as 18 & under by the USAV Age Definition) and are in the 11th grade for the current academic year are eligible to compete in 17 & under.

Example: A 17-year-old player who is considered by the Age Definition to compete on an 18s team and is still in the 11th grade for the current academic year, may compete on their 17s team in a qualifying division at a NQ and at GJNC.

Please note: *This is a National Age Waiver approved by the National Office.* The frozen player rule would still be enforced. A player can play on both 17s & 18s teams during the season but would become frozen to a roster with whichever team they qualify with and would no longer be eligible to play for both teams in qualification.

ROSTERED STAFF REQUIREMENTS

Rules for this event follow the standards outlined in the Championship Manual found on the [Girls Indoor webpage](#). For detailed information on this topic, refer to the “Rostered Staff Requirements” and “Staff Missing from Official Roster” sections of the Championship Manual, (Pages 35-36).

AGE WAIVERED PLAYERS

Age Waivered policy for this event follows the standards outlined in the Championship Manual found on the [Girls Indoor webpage](#). For detailed information on this topic, refer to the “Age Waivered Players” section of the Championship Manual, (Page 33).

SAFESPORT TRAINING REQUIREMENT

Participation in nationally sanctioned events will require that SafeSport training be completed by all registered adults and all players who are 18 years or older during the event (note, foreign teams are exempt, but we strongly recommend you take the course). Individual regions may set earlier deadlines for their respective regional events. The Safe Sport Training requirement is associated with each member’s USA Volleyball membership. If there are questions or issues completing Safe Sport training, please email: membership@usav.org

Adults who have frequent contact with or authority over Minor Athletes must read over and adhere to the Minor Athlete Abuse Prevention Policy, otherwise known as the MAAPP. A shortened version of the MAAPP can be found here: [2025 SafeSport MAAPP Policy](#)

All adult participants of USA Volleyball are mandatory reporters of abuse.

The U.S. Center for SafeSport has exclusive jurisdiction over allegations of Sexual Misconduct. To report sexual misconduct, please click on the following link to report directly to the U.S. Center for SafeSport: [Report a Concern | U.S. Center for SafeSport \(uscenterforsafesport.org\)](#)

To report any other form of Misconduct, including Physical and Emotional misconduct (such as bullying, hazing, harassment), retaliation, violations of the MAAPP, or any other violations of the SafeSport Code, you may file a concern with USA Volleyball at the following link: [USAV Incident Reporting Form \(formsite.com\)](#)

In addition, the U.S. Center for SafeSport offers SafeSport training for parents and minor athletes free of charge. These courses can be taken at the following link: [U.S. Center for SafeSport \(safesporttrained.org\)](#)

AGE REQUIREMENT OF STAFF ON ROSTER- TEAM MANAGER STAFF POSITION

All staff, with the exception of the Chaperone position, must be a minimum of 18 years old and registered with USAV in an adult level membership category to be placed in any of the allowed roster positions. The Chaperone must be a minimum of 25 years old. No junior level members (members who are registered in a junior level membership category or are under the age of 18) are allowed in a coaching, chaperone or team representative position. If you have a junior level member participating in a non-player capacity, you may place them in the Team Manager position on the roster.

The Team Manager position is primarily reserved for, but not restricted to, junior level members (members who are registered in a junior level membership category or are under the age of 18) participating with a junior team in a non-player capacity. These members cannot be placed in any team staff position other than “Team Manager”. Junior level staff members must be at least 10 years of age. USA Volleyball and the event arbitrators reserve the right to conduct random ID checks on any staff person listed on the roster at any time.

All roster personnel (non-players) must have completed their regions registration process and cleared the background screening if applicable. Junior level members under the age of 18 do not need to be background screened. Junior members 18 years old and above, serving in non-player capacity on a junior team, must apply for and “clear” a background screening within 30 days of their 18th Birthday and must be SafeSport trained.

To add a junior level staff person to a roster, please contact the USAV Events Department (events@usav.org). To expedite the request, please make sure the junior staff person is in AES, fully verified via the USAV import.

ILLEGAL PARTICIPANT ON BENCH

If a person that is not listed on the official roster for a team and is found present on a team’s bench **during** a match, a roster violation has occurred, and the individual is deemed an Illegal participant for that team. The following penalties will be enforced:

- If caught and verified during a match, the illegal participant will be asked to leave the bench and the team will receive a penalty fine that is at the Tournament Director's discretion. All events must post their fine they are imposing on their tournament information page.
- If the same individual is caught a second time and verified during the match, then they will be removed from the event and the team will forfeit the current set.

* The addition of staff to an official roster is not allowed once a Team has begun Match play in the Event.

AGE AND IDENTITY FALSIFICATION POLICY (ADOPTED BY BOD JANUARY 2004)

For The policy for this event follows the standards outlined in the Championship Manual found on the [Girls Indoor webpage](#). For detailed information on this topic, refer to the “USA Volleyball Age and Identity Falsification Policy ” section of the Championship Manual, (Page 37).

TRAVEL POLICY

USA Volleyball Junior Clubs are now required to implement a team travel policy. The following is a model team travel policy and is provided to assist USA Volleyball member clubs with developing their own policies. If a Club chooses not to, or is unable to, create a written travel policy, the following model policy will become the default policy for that Club. Once a customized set of policies is developed and approved by the club, the default policy will no longer apply. Each member club has the responsibility for approval and implementation of its own set of travel policies, and to provide these policies to all players, parents, coaches and other adults who will be traveling with a team. It is strongly recommended that a signature by each adult acknowledging receipt of and agreeing to the travel policy be obtained by each Club.

Some travel involves only local travel to and from local practices and events while other travel involves overnight stays. Different policies should apply to these two types of travel. The form of policy below is a sample only but may be modified by the local program to meet its specific needs and travel.

MODEL POLICY FOR JUNIOR CLUB VOLLEYBALL PROGRAMS

Travel Policy for [insert the name of the club]

[Insert name of the club] has some teams that travel regularly to play in tournaments, has some teams where travel is limited to a few events per season, and some teams where there is no travel other than local travel to and from our own area. [Club] prohibits all types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the SafeSport Code. [Club] has established policies to guide our travel, minimize one-on-one interactions and reduce the risk of abuse or misconduct. Adherence to these travel guidelines will increase player safety and improve the player's experience while keeping travel a fun and enjoyable experience.

We distinguish between travel to training, practice and local tournaments ("local travel") and team travel involving an overnight stay ("team travel").

Local Travel

Local travel occurs when [Club] does not sponsor, coordinate or arrange for travel.

- Players and/or their parents/guardian are responsible for making all arrangements for local travel. The team and its coaches, managers or administrators should avoid responsibility for arranging or coordinating local travel. It is the responsibility of the parents/guardians to ensure the person transporting the minor player maintains the proper safety and legal requirements, including but not limited to: a valid driver's license, automobile liability insurance, a vehicle in safe working order, and compliance with applicable state laws.
- The employees, coaches and/or volunteers of [Club] or one of its teams, who are not also acting as a parent, shall not drive alone with an unrelated minor player.

Team Travel

Team travel is overnight travel that occurs when [Club] or one of its teams or designees' sponsors, coordinates or arranges for travel so that the team can compete locally, regionally or nationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the players.

Adult Participants, not including athletes that meet the Close-in-Age exception, traveling overnight with Minor Athletes are assumed to have Authority and must comply with the Center's Education and Training Policy.

- Written consent must be obtained annually by the Organization or the Adult Participant for all In-Program lodging. This consent can be withdrawn at any time.
- Lodging arrangements covered under this policy include, but are not limited to, hotel stays, rentals (i.e., Airbnb, VRBO, HomeToGo, etc.), and long-term residential environments, including lodging at training sites.
- When possible, [Club] will provide reasonable advance notice before team travel. Travel notice will also include designated team hotels for overnight stays as well as a contact person within [Club] or the team. This individual will be the point of contact to confirm your intention to travel and to help with travel details.
- All In- Program Contact during lodging must be observable and interruptible unless an exception exists.
- Regardless of gender, a coach shall not share a hotel room or other sleeping arrangements with a minor player (unless the coach is the parent, guardian or sibling of the player) and advance written consent is provided to the Organization or Adult Participant for each specific lodging arrangement).
- The coach or his/her designee will establish a curfew by when all players must be in their hotel rooms or in a supervised location. Regular monitoring and curfew checks will be made of each room by at least two properly background screened adults. At no time will only one adult be present in a room with minor players, regardless of gender.
- Team personnel shall ask hotels to block adult pay per view channels for player- only rooms.
- Individual meetings between a coach and a player may not occur in hotel sleeping rooms and must be held in public settings or with additional adults present, with at least one of those adults being the same gender as the player.
- Parents/Guardians who wish to stay in the team hotel are permitted and encouraged to do so.
- The team will make every effort to accommodate reasonable parental requests when a child is away from home without a parent. If any special arrangements are necessary for your child, please contact the team personnel who can either make or assist with making those arrangements.
- No coach or chaperone shall at any time be under the influence of drugs or alcohol while performing their coaching and/or chaperoning duties.
- In all cases involving travel, parents have the right to transport their minor player.
- Prior to any travel, coaches will endeavor to make players and parents aware of all expectations and rules. Coaches will also support chaperones and/or participate in the monitoring of the players for adherence to curfew restrictions and other travel rules.
- If disciplinary action against a player is required while the player is traveling without his/her parents, then except where immediate action is necessary, parents will be notified before any action is taken, or immediately after.

Transportation

- All In-Program Contact during transportation must be observable and interruptible unless an exception exists, or

the Adult Participant has advance written consent from the Minor Athlete's parent/guardian. This consent can be withdrawn at any time.

- In-Program transportation requirements are met if the Adult Participant is accompanied by another Adult Participant or at least two minors who are 8 years of age or older.
- Written parent/guardian consent is required annually for all transportation authorized or funded by an NGB, LAO, or USOPC. This consent can be withdrawn at any time.

Code of Conduct / Honor Code

USA Volleyball strongly suggests clubs to create a Code of Conduct or Honor Code as a companion document to team travel policies.

Recommended:

- a. Team members will display proper respect and sportsmanship toward coaches, officials, administrator, teammates, fellow competitors and the public at all times.
- b. Team members and staff will refrain from any illegal or inappropriate behavior that would detract from a positive image of the team or be detrimental to its performance objectives.
- c. The possession or use of alcohol or tobacco products by any athlete is prohibited.
- d. The possession, use or sale/distribution of any controlled or illegal substance or any form of weapon is strictly forbidden.
- e. Team members are reminded that when competing in tournaments, traveling on trips and attending other club-related functions, they are representing both themselves and [Club]. Athlete behavior must positively reflect the high standards of the club.

For Consideration:

- a. Failure to comply with the Honor Code as set forth in this document may result in disciplinary action. Such discipline may include, but may not be limited to:

- i. Dismissal from the trip and immediate return home at the athlete's expense;
 - ii. Disqualification from future tournaments, either local or traveling;
 - iii. Financial penalties;
 - iv. Dismissal from team; and/or

PROTEST OF PLAYING RULES & DUE PROCESS & APPEALS

Protests of the playing rules during a set/match must be lodged in a formal manner prior to the next service. Between sets, a protest of the last play of the set must occur within one minute, and also at the end of the match, the protest of the last play of the match must occur within one minute. The protest shall be handled by a committee of two (2) to three (3) persons, one of whom must be a certified USA National referee or scorer, depending on the nature of the protest. The committee shall be composed of the following:

1. **Committee Chair:** The National Rules Interpreter or designee (Head Referee for the Event)
2. A representative of the USAV Championship Committee, USAV Events Department staff or designee to be named by the Event Director.

All rulings of this committee are final and not subject to appeal.

All protests will be settled at the time they are lodged. No match will be allowed to proceed until the protest is settled. Protests can ONLY be related to the rules of play. **Judgment calls are NOT subject to protest.**

The following are examples of what may be protested:

- misinterpretation of a playing rule
- failure of the referee to apply the correct rule to a given situation
- failure to apply the correct penalty / sanction for a given fault

Due Process & Appeals: USAV Bylaws (Article XI) and USAV Operating Code (Article X) govern protests, appeals, due process and ancillary procedures. Both of these documents are available in this link: [Governance - USA Volleyball](#). Protests, appeals and due process for this Event are specifically governed by these documents. Protests and appeals at this championship event are a simple one- or two-step process.

WITHDRAWAL PROCEDURE & RULES

If a team must withdraw from a match, it is the responsibility of the team representative to inform the Competition Director no later than **one (1) hour** after completion of the team’s last match.

The Championship Committee will attempt to fill the Finals Match of any flight, and / or determine an alternative action as required.

If a team withdraws from competition after pool play has begun, and prior to the conclusion of subject pool play, all match records shall stand. All un-played matches shall be forfeited per the Rules of Play and counted in the win-loss tabulation accordingly. All other teams in that pool shall be advanced for assignment to the next stage of competition.

Barring injury or emergency, withdrawal from a match will result in the following at the discretion of the Championship Committee:

- Forfeiture of all standing in the tournament (including seeding for future events)
- Recommendation for disciplinary action to the Organization which they represent
- Disciplinary action including suspending participation in future USAV Championship Events

DISCIPLINARY ACTION

Any person listed on the Official Roster who is causing unfavorable situations either prior to, during, or after the USA Volleyball Girls Junior National Championship is subject to disciplinary action by the EVENT ARBITRATORS. In particular, use of alcohol or drugs by players and/or officials will bring disciplinary action by the EVENT

ARBITRATORS. Plain-clothed off-duty policemen and uniformed/non-uniformed hotel security personnel will be patrolling the halls of the motels/hotels. They must, by law, take a different approach when finding players/officials who are taking illegal substances.

If a rostered team member is disqualified from a match, the disqualified person must report immediately to the championship desk (or site manager at an outlying site) until the issue is addressed by the event arbitrator or the team will default the match.

PROVOCATIVE BEHAVIOR

USA Volleyball conducts USA Championship events, which are primarily domestic in nature, and while teams from other countries may participate, these Events are NOT International Events. Furthermore, domestic teams are representative of USAV Member Organizations, and, as such, do not officially represent a governmental structure within the United States.

Therefore, the following standing policy will apply to all USA Championship volleyball events conducted by USA Volleyball: *“Comments and/or actions by an Event Participant, Team Member (roster personnel) or Spectator, which is deemed to be provocative, or provokes an opponent, other participant(s), team member(s), opponent’s team member(s) or spectator(s) will not be tolerated and shall be subject to disciplinary action by the Event Arbitrator.”*

ETHICS AND ELGIBILITY

All Junior National Championship Events offer participants the ability to access normal due process channels should their eligibility to participate be in question.

Ethics and eligibility for this event follows the standards outlined in the Championship Manual found on the [Girls Indoor webpage](#). For detailed information on this topic, refer to “Ethics and Eligibility” section of the Championship Manual, (Pages 44-45).

UNIVERSITY ATHLETE & COLLEGE RECRUITING INFORMATION

University Athlete is the official college coach's communication tool for the Girls Junior National Event.

All player data is extracted from Advanced Event Systems (AES) and supplied to colleges on their PDAs. Teams that submit incomplete player information are putting their athletes at a disadvantage for recruiting purposes. It is the responsibility of the Team Representative/designee to input the data into the registration system (AES) accurately and completely for all players. Player information will be supplied to colleges for 15-18 age divisions only.

University Athlete is an important tool for all participants, parents and coaches. Most colleges obtain important information on student-athletes from data collected by University Athlete. For more information on University Athlete please visit their website at www.universityathlete.com

SEEDING FOR CHAMPIONSHIP

Seeding for the GJNC is determined by Team results throughout the year as collected by USA Volleyball and entered into the official registration system using Team codes. According to these results, the top quarter of all participating Teams in a Tournament (first seeded Teams in the first round of pool play) are seeded numerically by strength.

For example, the strongest 12 teams in a 48-team tournament are determined from the entire field and then are seeded accordingly by strength from seed No. 1 to seed No. 12. Next, the second quarter of all remaining teams is determined based on information from Results Reporting. However, these teams are seeded in a different manner than the first quarter teams. They are seeded primarily in such a way that regional conflicts are avoided and secondarily seeded according to strength.

In the same manner, the third and fourth quarter teams are determined. Then they are seeded first and foremost in the pools where regional conflicts do not occur, and then with stronger teams seeded higher.

AWARDS

It is the obligation of the head coach to be aware of his/her individual State High School Association rules regarding the acceptance of awards. If necessary, present the properly signed papers as required by your State High School Activities Association. This will prevent a delay in the actual presentation of the awards at the Event. The top three finishers in each National Tournament will receive a team trophy plus individual medals. Players named to the All-Tournament Teams will receive an individual award. In divisions in which All-Tournament

selections are made, a Most Valuable Player will be presented. Only USAV-approved awards will be presented at the Championship.

Gold Flights (Team & Individual Awards)	Bronze Flights & Above (Team Awards Only)
